

## **Emergency Food Assistance Program USDA Commodities Distribution Plan**

<b>Household Size</b>	<b>Monthly Distribution Amount</b>
1 - 3	One Unit of Each Item Available
4 - 6	Two Units of Each Item Available
7 +	Three Units of Each Item Available

**Note:**

The above would be a normal distribution each month, but if a household is facing an emergency, the distribution agency would make a determination to adjust based on recognized consumption patterns, the length of the food emergency facing the household, and the size and composition of the household.
